

## SSL-02 2000 lumens All in one Solar street/courtyard Light

Item: SSL-02

The packing

CE RoHS FC

### Features:

Elegant Integrated Design, Aluminum alloy case  
 48pcs Superbright LEDs, 2000 Lumens brightness equal to 200W normal lamp  
 15W solar panel and the battery can be easily replaced by users  
 Night sensor + PIR motion sensor  
 120° wide lighting angle  
 Support 3 nights after full charging.  
 Easy to install and Auto on/off/PIR

LED	2000 Lumens, 2700K ~6500K
Li-ion battery	26000 mAh, 3.7V
Solar Panel	15W, 5.5V
Install height	3~4 meters
Waterproof	IP 65
Solar charging time	9~10 hours by bright sunlight
Lighting time	Over 3 nights
Material	Aluminium alloy + toughened glass
Size	808*227*164mm
Work temperature	-25°C to 65°C
Warranty	3 years

Lighting Mode	600 lumens for first 5 hrs + 300 lumens DIM light with PIR 2000 lumens full brightness till dawn
Application	Courtyard/Garden/ Park/Street/Roadway/pathway/Parking Lot/Private road/Sidewalk/Public square/ plaza/Campus/Airfield/Farm & Ranch/Perimeter Security/ Wildlife area/Remote Area/Military Base
Certification:	CE, ROHS, FCC, BV, BSCI
